

Dear Parents and Guardians,

Welcome back! We look forward to the start of the school year.

The bus routes have been posted to our website as of today, August 25, 2015. Please take a moment to review the routes and identify which bus your child is assigned to. Please have your child at their bus stop 10 minutes early in the morning for the first week of school until a routine has been established. Once a routine has been established please be at your bus stop 5 minutes before your scheduled stop each day until the remainder of the school year.

PLEASE NOTE THE CHANGE IN BUS NUMBERS (not drivers) on several routes because we have added two new buses.

If you need immediate assistance with regard to your child's transportation you may contact your school directly by phone. The Transportation office reserves the telephone lines open for immediate or impending situations and requests that you assist us by emailing any bus stop concerns, changes or additions to the Transportation Coordinator, Cindy Crowley at crowleyc@westboroughk12.org. Please include your phone number in your email to Ms. Crowley. Every effort will be made to address the requests as soon as possible (usually within 24 hours). Please use the established bus stop while your request is under review. Only under the direction of Westborough Public Schools Administration will bus routes be revised.

Thank you for your understanding and cooperation at this very busy time. We know that the bus ride is an important part of your child's day.
